

KEEP IT CLEAN

**Scoop it.
Bag it.
Trash it.
*Everywhere.***

Take the *Canines for Clean Water* pledge
www.cleanwaterdogs.com

WHY SCOOP?

- Dog poop is raw sewage.
- Stepping in it can spread diseases to pets and people.
- People appreciate dog owners who pick up.
- Dog poop left outside pollutes stormwater which drains to your local stream.

Is dog poop a
problem in your
neighborhood?
